## Introducing ... Our First Monthly Newsletter

VP OF EXTERNAL AFFAIRS  
KACIE "LEGACY" LUO

This is finally happening! Coming into the position of Vice President of External Affairs, I had one goal in mind. I wanted to be able to reach everybody in an innovative fashion. After a lot of planning, I finally decided to release newsletters. A one-stop place for everybody to catch up with our chapter. Whether you are a sister or just happened to stumble upon this accidentally, I want you to be able to feel like you are a part of our family.

This newsletter features a bunch of different things. I wanted to take this opportunity to officially introduce ourselves. It's been a crazy journey, so come catch up with us!

**Vi Pham**

"rae"

Chapter Advisor

Madison charters are open and collaborative!

They have the passion to learn from others and share their knowledge. Any one of them step into a room, they are engaging and delightful to talk too. It has been an honor to be their papa and now their chapter advisor.

Even though I am far away, their communication and way of keeping me in the loop always makes me feel as if I am right there with them.

I look forward to Madison Chapter's diversity in leadership to drive inclusive behaviors, meaning foster a speak-up culture - allowing them to harness the insight of innately diverse members, thereby "unlocking" their pioneering potential!

# Sister of The Month

**Kashia Yang**

"XTERIOIR"

PR Chair, Website  
Coordinator

Sister XTERIOIR has displayed our virtues by the work she has done as Public Relations Chair and Website Coordinator. She is very punctual with time and keeps everyone else on task too. Proving to show her own passion in DPhiL by taking in many responsibilities is what we call a true Dedicated Female Leader. Not only is she in DPhiL, but she is also apart of HASA's Council! XTERIOR's hard work and dedication to our chapter is greatly appreciated.

# Alumni Spotlight

**Maggie Yang**

"Alaïa"

National Social Media  
Manager

It was a very hard transition for me to go from a Charter, to a Neo, to being an Alumna, all in the span of 6 months. I think during that time it was difficult for me to pinpoint what really drove me to be passionate about DPhiL. I had no purpose; or at least I thought so! Staying close to my Sisters helped reignite my light for DPhiL. Even though I didn't have an opportunity to be Active, their passion to uphold our Virtues and impact others proved to me that my hopes and dreams for DPhiL were possible. I love seeing how this Sisterhood that we built affects others in different ways, all positive, and how we are all different yet are able to overcome obstacles and work together. My purpose for DPhiL was to spread our Light and keep that Light going in hearts of others. Seeing how much we've come makes my heart full and fuels my love for my Sorority, because I know there are so many great things in store for us in the future!

Currently I am working full time (bleh) as an Early Head Start Teacher for a program called Reach Dane! Even though I loathe waking up early, the bright smiles and loving hugs I receive from my kiddos every day make it worth it. I also volunteer for DPhiL National Staff as the Social Media Manager, so visit our National Instagram page and give me a double-tap!!

# AFLV & MIDYEAR

## ANG "ARISING" LII

I had a wonderful experience at AFLV because of the various educational sessions and networking opportunities that were provided. I really appreciated how the conference was organized so that many of the educational sessions were catered specifically towards multicultural fraternities and sororities. This allowed for me to know which sessions to attend that would let me bring back specific information I learned or anything thought was interesting back to my organization, and it also allowed me to feel more personally connected to the educational session based off of my own experience in a multicultural sorority. Overall, I am thankful for the opportunity to learn more about what I can do to help my organization.

## KASHIA "XTERIOR" YANG

First, I want to give a huge thank you to the DPhiL Foundation for awarding me a scholarship to attend AFLV. If it wasn't for them, I would not have been able to attend this conference. This was my first time going to AFLV, and during my time not only was I able to meet new sisters, but I met many people from a variety of organizations. There were many educational workshops that I was able to attend to gain a better insight into how I could enhance my leadership skills as well as bring back the knowledge I learned to my chapter. AFLV was also DPhiL's midyear and I was able to meet and reconnect with sisters from all of our chapters.

## RENA "IMRIÉ" LIU

AFLV was a conference that has allowed me to get to meet so many Sisters and other organizations. It was a massive leadership conference with over 3,000 people, so I always met new people. There were booths to meet companies related to Greek life and, of course, I had gotten many goodies. Each day was filled starting from breakfast to dinner. AFLV had so many educational blocks that it was overwhelming to look at all the options! I think that the blocks were very knowledgeable and professional, especially for our chapter. I had learned a lot from each block and I do hope to assert the ideas into our chapter accordingly. Since DPhiL's Midyear is held at AFLV, there were about 50 Sisters or more who had attended! It was so nice to meet new Sisters from all over and to socialize with them at the end of the day. All in all, I think AFLV was a conference worth going to.

## Recruitment Week: Resume Workshop & DIY Lip Scrubs

We are honored to have our alumna Sister "Alaïa" come in to discuss the do's and don'ts of building a resume. We got to follow this workshop with building our own lip scrubs.

## Social w/Chi Sigma Tau Delta Chapter

Nothing we love more than food but food with great company! We had a great time grabbing lunch at Soga with the brothers of The Delta Chapter of Chi Sigma Tau.

# EVENT HIGHLIGHTS
